12 **ORDER REQUESTING JOINT
13 STATUS REPORT**

14 AMERICA'S SERVICING COMPANY, et
15 al.,

16 Defendants.
17 _____ /

18 A Case Management Conference in this action was originally scheduled for May 31, 2012.
19 Also, a motion to dismiss is presently pending, having been taken under submission without oral
20 argument, pursuant to Civil Local Rule 7-1(b). The parties' Joint Case Management Conference
21 Statement indicated they are working together to facilitate a possible modification of plaintiff's loan,
22 and are "diligently attempting to settle this matter." In light of those representations, the Case
23 Management Conference was continued to August 30, 2012.

24 To ensure that this matter proceeds in an expeditious fashion, particularly should it prove
25 that an early settlement is not achievable, the parties are requested to file a joint status report within
26 20 days of the date of this order. The report should include a statement on the parties' views as to
27 whether scheduling a settlement conference with a magistrate judge prior to a ruling on the motion
28 to dismiss is desirable. Additionally, the parties should briefly state their positions as to whether or

1 not plaintiff's pending bankruptcy proceedings have any bearing on the propriety of this matter
2 going forward as a separate action in this court, brought by plaintiff individually.

4 IT IS SO ORDERED.
